RULE 8

ENTRIES

8.00 CRIMINAL CASES

In all criminal cases coming before this Court, the Morrow County Prosecuting Attorney shall prepare journal entries after every hearing or event occurring before the Court, unless otherwise specified by the Court. After all sentencing, intervention in lieu, revocation and judicial release hearings, a copy of a proposed journal entry shall be prepared by the Prosecutor's Office within five (5) business days of the hearing and such proposed journal entry shall be submitted electronically and in written form to the Court and electronically to Counsel for all parties for review. Within five (5) business days of receipt of the proposed entry, counsel shall communicate any questions or issues of concern to the court directly. If questions can not be resolved, counsel may submit his or her own version of a proposed entry to the Court within the five (5) day period. If counsel fails to notify the court of any issues or discrepancies within the five (5) day period, the Court may consider that there are no objections to the proposed entry prepared by the prosecutor and may adopt such or modify such as the Court deems proper. Routine journal entries, such as those merely setting the next event, shall be submitted only to the Court. The goal is to have journal entries prepared and submitted as soon as possible, hopefully no later than fourteen (14) business days after the hearing, so as to avoid delays, but, also to allow for accuracy with review of substantive journal entries.

8.01 ALL OTHER CASES

A. Unless the Court otherwise directs, counsel for the party in whose favor an order, decision, decree, or judgment is rendered, shall, within five (5) days after the rendering of such, prepare the proper journal entry of judgment, and submit it to counsel(s) for the adverse party(s), who shall approve or reject the same within five (5) days after the receipt thereof. When approved by counsel(s), it shall be so endorsed and furnished to the hearing Officer (Judge or Magistrate). If an entry is not returned to the preparing counsel within five (5) days, it shall be tendered to the Court with the notation "submitted" regarding other counsel(s). Failure of counsel(s) to approve or disapprove the proposed journal entry within the time period noted above shall be considered to be a waiver of objections and may allow the Court to adopt the submitted proposed journal entry without further proceedings. If counsel is unable to agree upon the form of the entry, each shall submit a desired version of the entry within five (5) days, of receipt of the originally proposed entry, to the hearing Officer, who will decide what entry, shall be filed, if either.

B. Within 30 days after a verdict, decree, order or decision is rendered; the Journal Entry and Judgment shall be filed. If such entry is not prepared and presented for filing by counsel, within the five (5) day period or any period prescribed by the Court, then it may be prepared and filed by the Court or, in the Court's sole discretion, the Court may dismiss the matter for want of prosecution.

C. Counsel(s) shall promptly submit an order of dismissal following the settlement of any case. If counsel(s) fail to do so within fourteen (14) days after representation to the Court that a case has been settled with all parties endorsing same, the hearing Officer may order the case

dismissed for want of prosecution, or may file a judgment entry of settlement and dismissal and assess costs, if the Court is privy to the settlement agreement or is made aware of a written settlement through mediation or otherwise.

D. Requests for findings by the Court: see Civil Rule 52. Counsel(s) and Attorneys shall, within 14 days after the filing of the request, submit their proposed findings. Failure to file proposed findings by the party making the request within the time allotted shall be deemed to be a waiver, or withdrawal of the request.

E. The entry reflecting the verdict in an appropriation case shall contain language which directs that the appropriating political subdivision or agency shall be responsible for and effect the transfer of the appropriated land on the Auditor's, Treasurer's, and Recorder's records, and the entry shall further provide for the payment of all required costs of such transfer(s). Additionally, such entry shall provide for distribution of the award or portion thereof remaining to be distributed.

RULE 9

RECORD OF PROCEEDINGS

9.00 The official record of this Court shall be maintained by an audio/video recording system used within main Courtroom(s) of the Morrow County Court of Common Pleas. An audio recording system shall be used in all other hearing rooms or courtrooms which are used for conducting Common Pleas Court proceedings. All copies of recorded proceedings before the Court using the digital technology shall be supplied to a requesting party upon payment of a \$10.00 fee for each copy. This fee, unless waived, is the responsibility of the requesting party and shall be paid to the Morrow County Court of Common Pleas. Upon proof of a valid receipt, the bailiff shall make the copies requested.

9.01 For purposes of appeal, transcripts of proceedings recorded on disk or tape shall be prepared in accordance with Rule 9 (A) of the Rules of Appellate Procedure. The requesting party will be responsible for the costs associated with transcribing the proceedings.

9.02 The Court is the custodian of all electronic records of proceedings. An attorney, pro se litigant or designated court stenographer or transcriber, may, at the Court's convenience, request an appointment to review the recorded proceedings. This shall allow a party to prepare an appeal without ordering unnecessary portions of the record pursuant to App. R. 9 (A). No person, who is not: 1) a member of the Bar or a law firm's representative; 2) a pro se litigant; or 3) a designated court reporter/transcriber, will be granted permission to view or listen to the recording without counsel being present or court authorization. There shall be no cost to review or listen to the audio or video proceedings.

9.03 With regard to all audio tapes of proceedings from Morrow County Common Pleas Court which were recorded prior to the installation of the audio/video digital recording system or which have been used as the record in the various hearing rooms, audio tapes may be removed from the court premises only upon written permission of the Court. The recognized court stenographer/transcriber or any other person who petitions the Court to remove audio tapes of proceedings from the court premises and who is granted leave to do so shall sign a receipt for those tapes removed. In no case shall audio tapes of proceedings be removed from the Court for more than 7 days without written authority of the Court.

9.04 Recorded Grand Jury proceedings, whether at the courthouse or off site, shall be packaged, identified on the packaging and submitted to the Court as soon as conveniently possible after the Grand Jury session. The Court shall maintain custody and control of said records. However, until turned over to the Court, the County Prosecutor shall be fully responsible for the records.

9.05 Parties may request that a court reporter be present for hearings, but such shall be at the expense of the party requesting such and arrangements shall be made by that party after court approval of having a court reporter prepared. The court retains discretion to have an additional record, such as a court reporter being present, for any particular case or portion of such case.

RULE 10

SERVICE OF COPIES, SUMMONS AND NOTICES

10.01 Initial Service of Summons or Process

If the party is a person, then certified mail shall be marked that delivery is “restricted” to that person as addressee. Service may be deemed defective if return receipt card is signed by a person other than addressee. Residence service may be acceptable only after all other reasonable means of personal service on the person have proven to be unsuccessful as determined by the Court upon review.

10.011 If the party is a partnership, a corporation or an association, the Ohio Rules of Civil procedures shall govern, unless it is clear that the addressee did not, in fact, receive service.

10.012 If an attorney or other person attempting to obtain service is notified of failure of service by certified mail and fails to file further instructions for the Clerk to obtain service within 30 days after notice has been deposited in the U.S. mails, the case may be dismissed for want of prosecution, without further notice.

10.013 Service may be checked and case status ascertained by checking the docket on CourtView or by speaking with the Probate Division Deputy Clerk, Juvenile Division Deputy Clerk, or the Morrow County Clerk of Courts, whichever is appropriate. This Rule is intended to make as certain as possible that all parties to lawsuits have actual notice thereof.

10.014 Facsimile copies of pleadings and motions may be served on the opposing parties or their counsel of record. SEE LOCAL RULE 4, SECTION 4.04 and 4.05.

10.015 Since the postal authorities will not normally deliver certified mail to “unknown spouses” or “John Doe” or “unknown heirs”, the party requesting service on such unknown parties shall effectuate service by publication or shall ascertain the actual name or names of the unknown parties for proper service. If the Clerk is directed to serve unknown parties by certified mail, the Clerk shall not make it “restricted delivery”

10.02 Service of copies and notices after the case has been initiated

Generally, the Court and the parties shall follow the Ohio Rules of Civil Procedure (specifically Civ. R. 5).

10.021 Except for notices of hearing and final appealable orders, all of which shall be sent by regular U.S. mail, all other documents required to be served by the Court on the attorneys or parties may be served by pick up at the Clerk’s office so long as the attorney or party signs a receipt for the specific documents after being handed such by the Deputy Clerk or Clerk.

10.03 In order to provide for the more efficient operations of the Morrow County Court of Common Pleas, the parties to all actions who file documents such as Motions, Memorandums, Memorandums Contra, and other such pleadings, which require action by a Judge or Magistrate,

shall provide a courtesy copy of the document(s) to the Judge or Magistrate to whom the case is assigned simultaneously with the filing of such documents with the Clerk. This procedure, although being sometimes paper excessive, is intended to result in a more efficient and effective operation of the court system by bringing such matters to the attention of the hearing officers in a more timely fashion.

RULE 11

SUBPOENAS

11.00 Except for good cause shown, the Clerk shall not be required to issue subpoenas, nor shall the Sheriff be required to serve the same, unless requests are filed with the Clerk at least three (3) business days prior to the time when the witness is to appear.

11.02 Only written instructions for service of subpoenas shall be accepted by the Clerk of Courts.

RULE 12

CONTINUANCES AND MOTIONS TO WITHDRAW AS COUNSEL

12.00 Continuances may only be granted following the filing of a written motion with memorandum indicating the basis for such request or by oral motion in Court with opposing counsel and/or parties present. All Motions for Continuance shall bear the signature of the client of the requesting counsel, indicating that the client acknowledges and agrees to the continuance being filed on his, her or its behalf. If the client is unavailable or unable to sign the motion, counsel may sign for the client, but must so indicate that the client has knowledge and consents to the request for a continuance. No case will be continued on the date of the hearing, except for good cause shown. As long as there are no time issues concerning the case, the motion may be granted without hearing so long as the opposing counsel or the opposing party does not object and, in fact, consents to the continuance. However, the moving party shall be obligated to obtain a new date and time for the matter to be heard thereafter, which shall clear the Court's calendar as well as the calendars of all other attorneys and parties to the action. The burden shall be upon the moving party to be certain that all of the above is done in a proper manner. Oral Motions may be made in situations where such are justified. If the opposing counsel or parties do not consent to the continuance, then the matter shall be set for hearing on the motion before this Court as soon as possible after the filing of the motion depending on the availability of the Court, the Attorneys and the parties. The Court retains the discretionary authority to waive provisions of this rule if special circumstances exist.

12.01 With regard to Motions to Withdraw as Counsel for any party involved in an action pending before this Court, a formal Motion to Withdraw must be filed with the Court, with a supportive memorandum setting forth the basis thereof. Whether or not the party consents to the withdrawal of his, her or its Attorney, the Court may require a hearing on the matter if no Substitute Counsel has made an appearance on behalf of the party whose Counsel desires to withdraw.

RULE 13

D. All Guardian as Litem must submit an application, a resume and a background disclosure statement to the Administrative Judge or his/her designee (Court Administrator) for approval. The Court may request updated applications from time to time. The Court retains the discretionary authority to appoint individuals to the position of Guardian ad Litem in any case where circumstances justify the appointment of such individuals as a Guardian ad Litem even though that individual may not otherwise be qualified as set forth above, but where that individual may have special credentials and experience for that particular case involvement. See Appendix for Application form (Form 4) and Background Disclosure Statement Form (Form 5).

13.02 HOW APPOINTED

The Administrative Judge or his/her designee (Court Administrator) shall maintain a list of qualified attorneys and a separate list of qualified non-attorneys.

The Judge or Magistrate may appoint any individual from the qualified Guardian ad Litem list. Decisions will be based upon the circumstances of the specific case to which the Guardian ad Litem is to be appointed.

13.03 REMOVAL

A Guardian ad Litem may be removed from the appointment list established herein for the following reasons:

1. Refusal of three (3) cases in any 12-month period without just cause.
2. Failure to meet or to maintain the qualifications and/or responsibilities established herein.
3. Due to a justifiable complaint/investigation resulting in disciplinary action from an appropriate licensing board.

13.05 PERIODIC REVIEW

The Administrative Judge or his/her designee (Court Administrator) shall annually review and certify all Guardian ad Litem appointments to ensure the equitable distribution of appointments among persons on each list maintained by the Court.

13.06 CONFLICTS

When appropriate at the time of appointment, the Court may also appoint the Guardian ad Litem to be the child's legal counsel. In the event that a Guardian ad Litem is also appointed as the child's legal counsel and a conflict of interest arises in the appointment, the Guardian ad Litem shall immediately move for permission to withdraw as counsel. In the event of such withdrawal, the Court may appoint a successor legal counsel from the list of qualified attorneys maintained in accordance with this rule.

13.07 RESPONSIBILITIES

At a minimum, the Guardian ad Litem for a minor child shall:

3. Observe the child or children in the presence of each parent.
4. Contact the child's school, if any. Meet with child's teachers or guidance counselor and review school records. Obtain information on the child's behavior while at school.

5. Contact the child's health care providers, if appropriate. Obtain records from family physician or hospital. Evaluate the necessity of a psychological evaluation and/or counseling.
6. Meet with any evaluator assigned to the case. Review pleadings and consult with each attorney as to position and issues concerning the child.
7. Participate in all pre-trials, but, unless specifically requested to do so by the Court, the Guardian ad Litem shall not participate in any hearings or trial, other than to testify as the Court's witness.
8. Communicate with Job and Family Services, and make appropriate referrals.

13.08 COMPLAINTS AGAINST GAL's

In an effort to establish a clear and consistent process for the filing of complaints against Guardian ad Litem, the following shall be followed:

The Court Administrator of the Morrow County Court of Common Pleas is hereby designated to receive complaints regarding Guardian ad Litem and their performance. The Court Administrator shall meet with the person(s) wishing to file the complaint in an effort to resolve the complaint. If the matter cannot be resolved, the complainant will need to file the necessary paperwork with the appropriate licensing board for review.

Only at the conclusion of the investigation by the appropriate licensing board, and *if* the complaint has been found to have merit resulting in disciplinary action, will the Court discontinue the use of that individual as a Guardian ad Litem. It will be the responsibility of the appropriate licensing board to enforce any disciplinary action deemed appropriate as the Court has no authority to enforce any form of disciplinary action against an individual appointed as a Guardian ad Litem.

If the complaint is found to be without merit by the appropriate licensing board, the individual appointed as a Guardian ad Litem will continue to remain in good standing with the Court and may still receive appointments.

All complaints filed should be investigated and concluded in a professional, prompt, and timely manner.

It will be the responsibility of the Court Administrator to maintain a separate file for each individual seeking an appointment as Guardian ad Litem. Within these files, any complaints and dispositions of complaints shall be preserved. A copy of all paperwork filed against a Guardian ad Litem shall be copied and placed in the Guardian ad Litem's official file maintained by the Court.

The Court has the discretionary authority as to who is appointed as a Guardian ad Litem, and the Court may discontinue the use of an individual as a Guardian ad Litem at any time.

21.02 AUTHORIZATION

The Court shall grant requests to record proceedings that are made in accordance with this Rule. All requests for authorization to record proceedings shall be made: (a) to the assigned Common Pleas Judge in writing; (b) on the appropriate form available through the Court Administrator of the Common Pleas Court; and (c) as far in advance as is reasonably possible, but in no event later than 24 hours prior to the courtroom session to be recorded. Upon a showing of good cause, the Judge may waive the advance notice provision. 21.03 LIMITATIONS

21.04 EQUIPMENT

The trial shall proceed in exactly the same manner as though there were no recording in process. Any equipment which is non-portable shall be set up and ready for operation prior to the commencement of morning or afternoon court sessions.
